The Tri-Valley Transportation Council will hold a public hearing on Monday, April 18, 2022, at 4:00 p.m. to consider adoption of (1) Resolution No. 2022-(next in line) – Establishing Transportation Development Fees for Fiscal Year 2022-2023; (2) a new Strategic Expenditure Plan (SEP); and (3) an Assembly Bill (AB) 602 supplemental analysis. The Fees proposed for adoption are based on a Nexus Fee Study adopted by the Tri-Valley Transportation Council on August 16, 2021.

Government Code §66016 states that prior to levying certain new fees or service charges, or prior to approving an increase in an existing fee or service charge, a local agency must hold at least one public hearing, as part of a regularly scheduled meeting, at which oral or written presentations can be made.

A copy of the Nexus Study Resolution No. 2021-10 is available on the Tri-Valley Transportation Council's website at: www.tvtc-jpa.com. The draft SEP and the AB 602 supplemental analysis is available on the Tri-Valley Transportation Council's website beginning Friday, April 8, 2022 before the public hearing. The Nexus Study, draft SEP, and AB 602 supplemental analysis are also available for public review beginning on April 8, 2022 during normal business hours in the City Clerk's Office at City of San Ramon City Hall located at 7000 Bollinger Canyon Rd, San Ramon, CA 94583. **Unless adopted as an urgency measure, a new or increased fee cannot be effective until 60 days after its adoption.**
