## BACKGROUND

**Brittini Kiick**  
**Councilmember**  
City of Livermore  
(925) 960-4019

On March 4, 2020, Governor Newsom declared a State of Emergency in response to COVID-19. On March 10, 2020, Contra Costa County similarly declared a state of emergency. On March 17, 2020, Alameda County also declared a state of emergency, and Governor Newsom issued Executive Order N-29-20, which suspended certain provisions of the Brown Act in order to allow local legislative bodies to conduct remote meetings. Pursuant to this executive order, TVTC’s legislative bodies have been conducting teleconference meetings to carry out TVTC business from remote locations while ensuring the public’s continued access to meetings in a safe manner.

**Karla Brown**  
**Mayor**  
City of Pleasanton  
(925) 931-5001

On June 11, 2021, Governor Newsom issued Executive Order N-08-21, extending the term of Executive Order N-29-20 to September 30, 2021. Since the Governor issued Executive Order N-08-21, the highly contagious Delta and Omicron variants have emerged, causing spikes in cases throughout the state and within Alameda County and Contra Costa County. Both the Alameda County Health Officer and Health Officer of Contra Costa County have issued public health orders requiring all people, regardless of vaccination status, to wear face coverings in public indoor settings. The Division of Occupational Safety and Health of the California Department of Industrial Relations (“Cal/OSHA”) has also imposed similar requirements and recommendations for physical distancing in response to the spread of the virus, which are described in further detail in the accompanying resolution.

# TRI-VALLEY TRANSPORTATION COUNCIL

On September 16, 2021, Governor Newsom signed Assembly Bill 361 (2021) (“AB 361”), which amended the Brown Act to allow local legislative bodies to continue meetings by teleconference during a declared State of Emergency by following specific rules regarding notice and attendance. AB 361 took full effect on October 1, 2021.

## DISCUSSION

During a proclaimed state of emergency, AB 361 allows local legislative bodies to continue to meet remotely..

Under AB 361, TVTC will be allowed to continue to meet remotely when:

1. The local agency holds a meeting during a proclaimed state of emergency;
2. State or local health officials have imposed or recommended measures to promote social distancing;
3. The local agency has determined that as a result of the emergency, there is a need to meet remotely due to present imminent risks to the health or safety of attendees.

TVTC meets the requirements to continue holding meetings remotely in order to ensure the health and safety of the public:

- The Governor has declared a state of emergency, and the Alameda County and Contra Costa County Board of Supervisors each adopted resolutions proclaiming a state of emergency due to COVID-19, pursuant to Section 8625 of the California Emergency Services Act;
- County health officer orders for both Alameda County and Contra Costa County require that individuals in indoor public spaces wear face coverings, and Cal/OSHA and the Center for Disease Control and Prevention (CDC) recommends social distancing of at least six feet due to COVID-19;
- The highly-infectious Delta and Omicron variants of COVID-19 have resulted in a significant increase of COVID-19 cases within the state and throughout Alameda County and Contra Costa County;
- Meeting in person would present imminent risks to the health and/or safety of attendees.

Under AB 361, TVTC is required to make certain findings, by majority vote, in order to continue teleconferencing without complying with the pre-AB 361 Brown Act provisions (i.e. posting agendas at each teleconference location and allowing such locations to be accessible to the public):

- (1) The Board has reconsidered the circumstances of the state of emergency.
- (2) Either of the following circumstances exist:
  - (i) The state of emergency continues to directly impact the ability of the members to meet safely in person.
  - (ii) State or local officials continue to impose or recommend measures to promote social distancing.

# TRI-VALLEY TRANSPORTATION COUNCIL

If TVTC makes these findings, TVTC's legislative bodies may continue to hold meetings in the current remote manner with opportunities for the public to observe and address the legislative bodies in real time. TVTC is required to revisit these findings every 30 days in order to continue holding teleconference meetings while the proclaimed state of emergency is in effect.

## **RECOMMENDATION**

Adopt resolution to continue conducting remote teleconference meetings for all meetings of the legislative bodies of the Tri-Valley Transportation Council, pursuant to the authority set forth in AB 361 (Government Code Section 54953[e][1]), due to a proclaimed state of emergency and imminent risks to the health and safety of attendees if meetings are held in person.

**WHEREAS**, Governor Newsom has declared a State of Emergency due to COVID-19, the Counties of Alameda and Contra Costa have similarly proclaimed states of emergency, state and county officials have imposed or recommend measures to promote physical distancing, and TVTC has determined that meeting in person would present imminent risks to the health and safety of attendees;

**WHEREAS**, “Protecting Workers: Guidance on Mitigating and Preventing the Spread of COVID-19 in the Workplace,” promulgated by the Occupational Safety and Health Administration (“OSHA”) under the United States Department of Labor, provides that “[m]aintaining physical distancing at the workplace for [unvaccinated and at-risk] workers is an important control to limit the spread of COVID-19” and recommends that employers train employees about the airborne nature of COVID-19 and importance of exercising multiple layers of safety measures, including physical distancing, and that employers implement “physical distancing in all communal work areas for unvaccinated and otherwise at-risk workers,” including physical distancing from members of the public, as a “key way to protect such workers”;

**WHEREAS**, due to the continued threat of COVID-19, TVTC continues to implement multiple layers of protection against COVID-19, including physical distancing, for the safety of Board members, employees and members of the public;

**WHEREAS**, TVTC recognizes the recommendations by state and local officials to use physical distancing as a layer of protection against COVID-19 and desires to continue to provide a safe workplace for its Board members, employees and a safe environment for the open and public meetings of all legislative bodies of TVTC;

**WHEREAS**, TVTC hereby finds that the presence of COVID-19 and the increase of cases due to the Delta and Omicron variants present imminent risks to the health or safety of attendees should meetings of the legislative bodies of TVTC be held in person; and

**WHEREAS**, TVTC shall ensure meetings of all legislative bodies comply with the special teleconference rules under the Brown Act, as amended by Assembly Bill 361.

- c. The CDC, Cal/OSHA, and OSHA continue to recommend physical distancing of at least six feet to protect against transmission of COVID-19; and
- d. Meeting in person would present imminent risks to the health and safety of meeting attendees due to the continued presence and threat of COVID-19.

Section 3. Remote Teleconference Meetings. All legislative bodies of TVTC are hereby authorized and directed to take all actions necessary to carry out the intent and purpose of this Resolution including, conducting open and public teleconference meetings in accordance with Government Code section 54953, as amended by Assembly Bill 361 (2021), and other applicable provisions of the Brown Act, in order to protect the health and safety of the public.
